Types of SOS Memberships - All members receive SOS newsletters and announcements, access to SOS activities, and the appreciation of all so that we can enjoy the watersports at Lakeside. While only one watercraft can be used at a time per each membership, Lakeside, at their discretion, may allow up to two watercraft to be used at a time.

Annual Membership - Minimum Donation is \$100.00

Annual members can use SOS watercraft (sailboats, kayaks, and paddleboards) during the 2023 season. **Please note that there is a two-week waiting period before annual members can begin using SOS watercraft** (to avoid conflicts with Lakeside's rental program).

Lifetime Membership (also known as 720 membership) - One-Time Donation of at least \$720.00

Lifetime members can use SOS watercraft (sailboats, kayaks, and paddleboards) during the member's lifetime, and there is no waiting period before they can begin use. The lifetime membership extends to the immediate family, i.e., spouse and children (up to age 25). Sorry, it does not include parents or grandkids.

New lifetime members will have their name added to the 720 plaque in the Sailing Center.

Please indicate how you want your name to appear (<=30 characters): _____

Friends of SOS - Any donation accepted, typically \$25, \$50, or \$75. We also accept equipment donations.

Friends of SOS are included in all SOS activities and communications, but do not have use of SOS watercraft.

Checks should be made out to: Lakeside Foundation (on the memo line write: "SOS Sailing Fund")

Mail check/application to: Carolyn Fleischer, SOS Treasurer, 7685 Holyoke Ave., Hudson, OH 44236

The SOS is interested in your comments as to how to improve waterfront enjoyment, and if you have any equipment to donate or want to volunteer for activities, such as the "Kids Set Sail" program, please let us know here, or send a note to our email address: societyofoldsalts@gmail.com.

Please note that the Lakeside sailing staff has final say over whether the SOS watercraft can be used (based on, for example, weather, condition of the equipment, your apparent skill level, etc.). A written sailing proficiency test is administered when a new member first uses a sailboat. Availability of watercraft is not guaranteed and is subject to the supervision of the sailing staff. Your photos may be used in SOS publications and website. If you do not want this done, please let us know in writing.
